

Harmony's 2026 blueberry sale is over!

Thank you to everyone who purchased blueberries – especially those who pre-ordered, which makes it so much easier for us. Whether you've been ordering for years or this was your first time – we thank you, and know you will enjoy the berries, which are really good quality once again.

We don't have final numbers yet but we know we sold approx. 470 flats of blueberries and 72 blueberry crisps and raised well over \$7,500. These funds will be used to support food security and social justice programs in Regina this coming year. This past year we provided support to several agencies – Carmichael Outreach, the Interfaith Saturday lunch program, Regina Native Outreach Ministry, the Food bank and the North Central Family Centre. It's never enough, of course, but we're thankful that you can enjoy your blueberries and at the same time know that you're providing some support to those who really need it.

We also want to thank our friends at the Montessori School on Hillsdale for allowing us to use their parking lot and facility for our drive-through pickup.... it is just so convenient!
